The Firms dealing in Pumping Sets.

Enquiry No. 3929.

PUMPING SET FOR MANDYA WATER SUPPLY.

GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for an Electric Pumping set of the specification given below :—

Specification for the pumping unit required for Mandya Water Works.

One—horizontal split casing pump having phosphor bronze impeller with renewable neck rings, end sleeves, etc., capable of discharging 160 imperial gallons per minute against a head of 130 ft. from all causes. The pump should admit a flexible range of operations between 100 ft. and 130 ft. head without undue heating effects on motor and working troubles in the pump, such as end thrusts, etc. The pump shaft should be made of high class nickle or chrome steel of non-rusting quality. The bearings should be of ball and roller type having been fitted up with grease nozzles to admit grease being gunned while running. One end of the shaft to be fitted up with flexible coupling suitable to be coupled to an induction motor mounted on common bed plate.

The following accessories should be included in the quotation :—

(1) Foot valve and strainer (metal face type).
(2) One sluice valve Glenfield and Kennedy make.
(3) One non-return valve do
(4) One set of neck rings and end sleeves, etc., complete.
(5) One set of roller and ball bearings.
(6) One set of glands.
(7) One Grease gun
(8) Pressure and vacuum gauges with operating cocks.
(9) One set of set spanners.
(10) One spare impeller.

One—Induction Motor drip proof quality to drive the above pump to run on 220 volt. 25 cycle, 3 phase A. C. current, mounted on common cast iron bed plate and coupled to the above pump with a flexible coupling. It should comprise of one oil immersed starter having cover and novoltage relays.

One—suitable ammeter and one three through switch with fuse arrangements have to be provided for in the quotation.

One—panel board of marble type to take in the above fittings having enough room for admitting kilowatt hour meter also should be included in the quotation.

The following accessories to be provided for :—

(1) One set of ball and roller bearings to motor.
(2) One set of finger contacts to the starter.
(3) One set of overload and no voltage coils.
(4) One set of rubber bushes for flexible couplings.
(5) One drum of transformer oil for the first charge of oil switch gear.
(6) One set of set spanners.
(7) One set of foundation bolts for the common bed plate.
(8) One spare stator to be quoted for separately as spare outfit.
(9) One set of copper finger contacts for the starter to be quoted for separately as spare outfit.

Your quotation should be for delivery, f.o.r., Mandya, Bangalore-Mysore Line.

It should be distinctly understood that the acceptance by us of our quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Pumping Set for Mandya Water Supply" with the above enquiry number.

This enquiry will be closed on the 26th April 1940.

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for M. S. Staging for the P. S. Tank at Arkalgud" with the above enquiry number.

This enquiry will be closed on the 18th March 1940.
